BLANKOT

Reg. U.S. Patent Office

A NEW REMEDY FOR AN OLD CONDITION

BLANKOT is a liquid that immediately rectifies bad conditions of rubber blankets on offset presses, whether caused by grease and oil, water, or atmospheric conditions, all of which make rubber blankets unfit for use.

Apply BLANKOT with a soft rag or cheese cloth

MANUFACTURED ONLY BY

MARTIN DRISCOLL & CO. ★ CHICAGO, ILL.

GREAT WESTERN PRINTING INK CO., PORTLAND, OREGON ★ BRANCH FACTORY, MILWAUKEE, WIS.

McLAURIN-JONES

**GUARANTEED
Flat Gummed
PAPER**

It's been proven again and again, McLaurin-Jones Guaranteed Flat Gummed Paper is a wise investment for the printer who wants absolute satisfaction on every label and sticker job he runs. It pays off every time! The inherent quality and value that makes such satisfaction possible pays dividends for the paper merchant, too. No wonder merchants who are authorized distributors of McLaurin-Jones Guaranteed Flat Gummed Paper call it their favorite "interest-bearing paper!"

McLAURIN-JONES CO.

180 MacLaurin St. • Brookfield, Mass.
Offices: New York • Chicago • Los Angeles

Mallinckrodt Prepared Developers and Fixers create a new standard of quality because of the individual excellence of the component parts, found only in MCW products. Eighty years of experience combine to give you more economy, greater speed and longer lasting keeping properties in:

PICTONE*... the universal developer
SOFTONE*... a low contrast developer
ULTRATONE*... a fine grain developer
CONTRATONE*... a process developer
LITHOTONE*... a litho and photo engraving developer and,
JIFFIX*... an acid-hardening fixing bath.
Available at your dealer or nearest M. C. W. office ... for Prepared Perfection ... specify MALLINCKRODT.
